# OC Trial Test Course Information

The **OC Trial Test** Course diligently prepares students for success in the Opportunity Class Placement Test. This course is unique in that it allows students to practice exam style questions under exam conditions. As the answer sheets are being marked, teachers will review the entire test paper with particular focus on difficult questions. Each question is explained thoroughly step by step. Students receive their individual results at the end of the session as a record of their performance.

The OC Trial Test Course will help your child to manage his/her time efficiently, minimise carelessness, overcome examination nerves and perform at his/her best under examination conditions.

## The Course

### How will the OC Trial Test Course (OCTTC) be run?

- The OC Trial Test Course consists of 21 tests commencing on Saturday, 27 April 2024 with one test each week, until the OC Placement Test.
- The OCTTC consists of trial tests in reading, mathematical reasoning and thinking skills to assess their knowledge under exam conditions.
- Students' performance and progress is assessed accurately on a weekly basis.
- Students are able to review incorrect questions with video explanation at home via csonlineschool.com.au to reinforce learning.
