

# SPRING HOLIDAY COURSE INFORMATION

## CS Education Spring Holiday Course:

New program focuses on reading and discussing selected **poems**, fostering expressive speech and writing, active participation in poetry discussions, linking literature to real-life experiences, and improving language skills and grammar.

This English course promises a fun and enriching experience, transforming children's perspectives on poetry and reading.

### Make the most of this holiday period!

Year 5/6 students can strengthen their weaknesses and prepare for the **Selective High Schools Test** next year by enrolling in our Spring Holiday courses.

Additionally, a special **Scholarship Trial Test Course** in Week 1 is available for those preparing for the upcoming Scholarship test.

**Enrol now** to make meaningful use of your time and start the new term with academic confidence and success.

"Yes! We can help to make it happen."
