Scholarship Trial Test

(AAS & ACER)

*AAS: Academic Assessment Services

*ACER: Australian Council for Educational Research

Scholarship Trial Tests (SCHTT) Course

will start on 13th September 2025.

Students are introduced to specific category of questions to familiarise them to tests content. Teachers explain the various question types, techniques for answering questions and provide examples of questions at different levels of difficulty. Then they sit for a short test on those particular question types. After the tests, all questions are reviewed in class. Tests reports and online review of incorrect questions is available immediately to help students learn from mistakes made.

Scholarship Trial Test

Introduction

Our Scholarship Test Preparation Course is designed to support current Year 5 students aiming to sit for private school scholarship exams in 2025 or 2026. These highly competitive exams assess a range of skills, including reading comprehension, mathematics, writing, and general reasoning. To ensure students are thoroughly prepared, we have organised a total of 20 Scholarship Trial Tests, carefully designed to reflect the format and difficulty of actual scholarship exams.

Unique System

At **CS Education**, we use a unique **Blended Learning system**. For students enrolled in the **Scholarship Trial Tests Course**, both parents and students can **review all incorrect questions online for one week**. This valuable feature allows parents to support their children's learning at home and monitor their progress in real time.
