Preliminary OC Trial Tests

Even though the normal OC Trial Test Course will start in Term4 2026 we have designed this Preliminary OC Trial Test Course (POCTT) because of the following reasons:

- Year 3/4 students do not have sufficient practice in assessment & testing & so an earlier start in this area is beneficial to them.
- In Year 4 there is insufficient time for students to learn all of Year 4 curriculum and at the same time be familiar with all types of OC questions.
- Early assessment of student's ability and to provide extra assistance to help them prepare better for OC test next year.
