

WINTER SCHOOL HOLIDAY COURSE INFORMATION

Engaging Students Through Literature

Our Winter Holiday Course has been re-structured to challenge students with a new programme whereby they will read a selected novel based on a theme and then discuss ideas, feelings & thoughts about the text & life.

Using the text as a springboard students learn new ways of expressing thoughts in speech, writing and participate actively in book discussions.

Introducing Literature & Academic Enrichment Course. (Y1/2, 2/3, 3/4, 4/5 & 5/6)

An English Reading-Writing course with a difference! Very interactive, text-based programme where students read & explore a novel relating it to real life experiences, respond to it orally & in writing and through the process learn both language skills and grammar.

Make the most of this holiday period!

A special Scholarship Trial Test Course will be available in Week 2 for Year 5 students preparing for the upcoming scholarship test.

Enrol now to make meaningful use of your time and start the new term with academic confidence and success.

Y6 Debating Course

This course is designed to help students develop critical thinking, public speaking, and persuasive communication skills. Through structured practice, students will learn how to construct logical arguments, refute opposing views, and speak confidently in front of an audience.
