

Fee Payment Regulations

- ❑ All fees are payable in full for the term in advance. Monthly payments will not be accepted.
- ❑ Any students commencing courses in the middle of the term will have to pay fees for the remaining number of weeks in that term. No discounts apply to these students.
- ❑ Students should not join a class until fees for the full term have been paid.
- ❑ Under NO circumstances will refunds or credits be given. No exceptions will be made for absence due to sickness or school activities. A minimum fee of \$50 will be charged if refunds are given before starting on a course under special conditions.

HSC Preparation Courses for Y6 - Y9

❑ With the HSC and **University entrance** being the goal of most high school students, **CS Education** understands the importance of consolidating work learnt at school in order to better prepare students for assessment tasks and eventually the HSC Exam.

❑ At CS Education, we believe there are several key factors which determine a student's scholastic performance: **un-derstanding**, **application** and **confidence**.

❑ When a student doesn't **understand** the work that is being taught, most often they will lose what little interest they had and give up altogether. Or perhaps the student is capable of a lot more than what they are being taught at school. Either way, CS Education offers classes in different levels of **Maths**. Some classes are graded and all classes are taught by only the best teachers. With their combined experience and knowledge, our students receive the best help available in Sydney!

Private One-on-One Tutoring Classes Pre Book Required

At CS, we also specialise in providing personalised, **one-on-one tutoring** sessions tailored to meet each student's unique needs. Our experienced teachers provide customised support to help students improve their skills, excel in exams, and achieve their academic goals.
